SIR,

In forwarding herewith the vernacular records received with the Mysore Deputy Commissioner's letter No.M.221/30 dated 23-2-1932 (copy enclosed) on the above subject, I have the honour to state as follows:-

The temple in question is a village institution endowed with Devadaya inam land in the village bearing Pe.B. No.20 dry measuring -- a g

The ---- village is stated to be beggarly and the inam lands are reported to be lying fallow for the last 8-10 years. Attempts were made to dispose of the land on long lease but none of the neighbouring villagers came forward to take up the land for cultivation as the cesses due to Government, are being realised every year. It is also stated that no other institution is willing to take these lands - they will not be of any use on account of the scarcity of labour to cultivate them. The Deputy Commissioner recommends that the tenure of the land may be ordered to be [illegible] disposed of by public auction. As it is [illegible] resuscitate this institution, I request that Government may be pleased to sanction the Deputy Commissioner's recommendation ---

dir ct the proceeds of the sale to be credited to General Muzrai Fund.
